STEP 1: OPEN YOUR NEW ACCOUNT

- Open your Pathway Bank checking account
- Order your debit card
- Enroll in Online & Mobile Banking
- Download the Pathway Bank mobile app

STEP 2: MOVE YOUR DIRECT DEPOSITS

Use the form on page 4 to update:

- Employer payroll
- Social Security or government benefits
- Retirement or pension payments
- Investment or brokerage deposits
- Transfers from other financial institutions

💡 Tip: Keep your old account open for at least 30 days to allow all deposits to transfer.

STEP 3: MOVE YOUR AUTOMATIC PAYMENTS

Update any recurring payments such as:

- Mortgage or rent
- Utilities (gas, electric, water)
- Insurance
- Car payments
- Subscriptions (internet, streaming, memberships)
- Credit cards
- Childcare or tuition
- Charitable contributions

STEP 4: CONFIRM & CLOSE YOUR OLD ACCOUNT

- Verify all transactions are clearing from your new account
- Destroy old checks and debit cards
- Submit the Account Closing Authorization form

FINAL STEP: SET UP YOUR NEW ACCOUNT FOR SUCCESS!

Now that your Pathway Bank account is open, take a moment to set it up in a way that works best for you. This is a great opportunity to explore tools and features that may enhance your banking experience.

Consider Activating or Reviewing:

- Overdraft Protection (Bounce Coverage)
 - Automatic Transfers Between Accounts
 - Sweep Options
 - Digital & Mobile Banking Access
 - Visa® Debit Card Activation
 - Order Checks
 - Enroll in eStatements
 - Online Bill Pay
-

Your previous account may not have included these features — our team can help you choose the options that fit your goals and daily banking habits.
